October 2007

Message from the President...

Annual Windsor Park Wine & Cheese

Once again, it is time for us to gather for some fine wine, good treats and great company. **Friday, October 26, 7 p.m.**, at the hall, we will be having our AGM. The meeting will be kept as short as possible, with no strong-arm tactics whatsoever. We hope to have a full slate of candidates for the executive, though nominations will of course be cheerfully accepted from the floor. We'll hear about an initiative to create a Windsor Park community garden, and receive a **final presentation on the rezoning of the old shopping centre**. Representatives from the City and the developers will be present, along with your WPCL executive, to answer your questions. Please come, as the more is, indeed, the merrier.

Soccer News

After several years of yeoman service, Russ Makar is stepping down as the WP soccer coordinator. Along with others, my family has thoroughly enjoyed the soccer program during Russ's tenure. From volunteer coach recruitment, team selection and scheduling to provision of equipment, uniforms and the much-prized medals, to the holding of wrap-up parties, all aspects of the program have been organized with great skill, energy and good cheer. Thank you, Russ, for

making it so easy for so many children (and parents) to have so much fun.

The WPCL executive looks forward to helping new soccer coordinator Larry Burnstad, in any way we can, as he takes up the reins.

Casino Dates

The next casino for the WPCL will be held March 17 and 18, 2008. We will need 36 volunteers, to allow all to do only one shift each. The funds generated by these volunteer-staffed casinos are used to run and maintain programs and facilities in Windsor Park, as well as to assist other programs in the Edmonton area. Please let us know if you can help out.

Interested in Having Wireless Internet Access Made Available at the Playground?

Dead Set Against It?

Frankly, You Just Don't Give a Darn?

I need to hear from you! We have received several requests from the community for wireless internet access at the playground. While the expense is not great, opinion is divided on the executive as to whether or not this is a good idea. So, we'd like to hear your views. A strong show of hands either way, or even deafening silence, will help us decide which way to go forward. Please let me know your opinion by phone or by email, at the coordinates shown below.

West High Speed Transit Update

There is not much new to report on this front, other than that the City is now talking about the possibility of starting construction on the west LRT within the next ten years -- considerably sooner than the skeptically-received 40-year timeline put forward by the City last year. A route recommendation is now to be ready by January; if so, it will be a relief to have the matter settled, after almost three years of monthly meetings. At worst, the west LRT's impacts on Windsor Park are expected to be minimal, due the fact it would run underground in this area.

As always, please feel free to contact me with any concerns or comments.

2007 Municipal Election: Bring ID to the polls

A major change voters will see in this fall's election is that they must present identification in order to cast a ballot. This is one more way to ensure a fair and accurate election by confirming that all voters are indeed eligible.

An Alberta Driver's Licence, an Alberta Health Care card or a passport are among the easiest choices. There are many other alternatives. For details, check www.edmonton.ca/election or call the Election Office at 496-8008.

Membership Drive

Please welcome your WPCL membership canvasser when she/he comes to your home for this fall's annual WPCL membership drive. There are 55 divisions in Windsor Park & fortunately this year we have 55 canvassers to try to make the job not too onerous or time consuming for anyone. Everyone is so busy these days that I hope that you especially appreciate your local canvasser's time & effort.

Windsor Park has several new canvassers this autumn to join the many loyal & long serving ongoing canvassers. If you have never canvassed your section or would like to return as a canvasser please let Robert Gariepy or me know for future reference.

For the overall health of your home community of Windsor Park & the strongest possible community voice in negotiations with many groups including the city of Edmonton & the University of Alberta it is important to have as high a membership as possible.

Friendly Cat

A lovely cat, white with black spots and missing a bit of fur at the end of its tail, visits us on Edinboro Road. Does it have a home? As winter approaches, we are worrying. Please phone and let us know if it is yours so we stop worrying.

Interested in Community Gardening?

A growing group of Windsor Park residents is examining the viability of developing a community garden in the North Windsor Park area. The benefits include community building, encouraging nature-connected active and healthy lifestyles for all ages, and providing a source of donations to the University of Alberta Campus Food Bank and other programs.

Interested persons should contact **Robert Ferrari at 990-8310**
rferrari@shaw.ca.

Volunteers Needed

The next Casino for Windsor Park is Monday March 17 and Tuesday March 18, 2008. Although it is early, please consider working. We are able to fund many of our projects through the money we earn from the casinos.

To volunteer, please contact Ed Holmes (432-0600) or John Collier (433-1270)

Cross Cancer Clinic

Looking for a new challenge? Consider a different way to get involved in your community! Volunteer Services at the Cross Cancer Institute invites you to volunteer in one of its many programs.

You could be a friendly visitor, or perhaps escort new patients to their treatment areas. You might use your customer service skills in the Gift Shop, the Book Store, or the Sun room Café.

Numerous 4 hour shifts are still open - mornings or afternoons, Monday through Friday. The Cross also offers maximum flexibility to accommodate those who need to take time off for travel or other commitments. We offer training, parking, and the chance to work with great volunteers in a hopeful, caring environment.

Make a difference to patients and their families!
